Dear Mr. Finley:

The Division received your request to extend the time to respond to the above referenced requirement found in Division Order 97A. As you pointed out, this requirement deals with how the operation and reclamation plan will effect structures eligible for listing in the National Register of Historic Places. This issue has been separated from the Division Order and will be addressed separately. Your request is hereby granted. Your response is now due no later than August 1, 1999.

We look forward to your submittal. If you have any further questions, please call.

Sincerely,

A handwritten signature in dark ink, reading 'Daron R. Haddock'.
